

NOTIFICATION OF AQUATIC TREATMENT LAKE HOLBROOK - HOLBROOK

Lake Holbrook will be chemically treated to control nuisance aquatic vegetation and/or algae on Monday, August 29, 2022. The following are water restrictions post treatment. Restrictions are as follows: Swimming, Boating and Fishing – Day of Treatment or August 30th, Livestock Watering – One Day or August 31st, Three Days or September 2nd for Direct Drinking and Domestic Use, and Irrigation – Five Day or September 4th.

The work is being performed for the Town of Holbrook, Conservation Commission pursuant to permits (licenses) issued by Mass DEP, Office of the Watershed Management and the Holbrook Conservation Commission. The work is being performed under contract with SOLitude Lake Management.
