

BOH meeting 1/12/2023 6:30 PM

Present: Katie Goldrick, Chris Nickerson, Allyson Pinkhover

Health Agent resume review: Government/Public position. First round of interviews private in case the applicants don't want their employers to know they are looking. First interviews this Saturday w sub committee.

Candidates had to meet minimal requirements. Some did not meet and they will not be interviewed. They must have a min of BS in health or science based.

Saturdays will be days for the interviews w sub committee. Three interviews for this weekend. Committee should bring 4-6 questions to ask the candidates. Every candidate needs to be asked the same questions the same way. We will discuss the candidates after their interviews. Allyson spoke on the importance of quality candidates who can see the health of the entire community. She states we should look for someone who knows how to apply for grants and manage grants. She'd like to see someone in the position who can hold their own with DEP and DPH and someone who may be familiar with a working transfer station.
