Annual Report for town of
Holbrook, MA

The Blue Hills Regional District School Committee is pleased to submit its Annual Report to the residents of the town of Holbrook.

Blue Hills Regional Technical School continues its steadfast commitment to providing the highest caliber academic and technical instruction to students in grades nine through twelve, and to adults receiving postgraduate training. The nine towns comprising the district include Avon, Braintree, Canton, Dedham, Holbrook, Milton, Norwood, Randolph, and Westwood.

Ms. Jill Rossetti serves as Superintendent-Director, Mr. Geoff Zini serves as Principal, and Ms. Taryn M. Mohan is the Holbrook representative to the District School Committee. The District School Committee meets on the first and third Tuesday of each month at 7:00 PM. These meetings typically take place in the William T. Buckley District Board Room at the school. From March 2020 through August 2020, these meetings were held remotely, via Zoom, with the exception of the second meeting in June 2021. Since September 2021, these meetings went back to an in-person format. As always, the public is welcome to attend. They are able to sign up to speak during the Public Comment portion of each meeting via a link provided on every posted agenda.

Blue Hills resumed in-person learning in March 2021. This was done with thought and care to everyone's health and safety. It was a gradual return, with all but those students who opted out of returning for the rest of the school year, completed in April 2021. The option to remote learn was only offered to students through the end of the school year. In September 2021, Blue Hills opened its doors to full in-person learning. The school complies with all safety regulations and cleaning practices. Students and staff continue to wear masks in the building.

Spring sports programs were reintroduced with modifications outlined by the state. We had approximately 175 student athletes participate in spring sports and we were able to play all of the scheduled games without any COVID-19 impact! Our rugby team had their first win and finished with over a 50% winning season. In September, the fall sports program opened fully with safety regulations in place. Participation in sports remains high, and the events are well attended when able. The Girls' soccer team qualified for the MIAA playoffs and were Mayflower League Champions. The Boys' soccer team also qualified for the MIAA playoffs and received
