PUBLIC WORKS DEPARTMENT
HYDRANT FLUSHING

May 5, 2022

The Holbrook Public Works Department will be flushing the hydrant located on Glen Rd. between the hours of 8:00 a.m. – 12:00 p.m. The activity may cause discolored water in varying degrees in the local area. Persons who experience water discoloration should clear their water systems by opening the cold-water faucet for several minutes and then wait about an hour. If the water still is not clear, they should repeat the flushing procedure.
