Re: Paving

During the week of July 25 - 29, 2022 structures will be raised and paving is to follow on July 29, 2022 (may continue through the beginning of the following week). Please don't have any cars parked on the street while the road improvements are being performed. All residents will have access to their homes, but there may be a delay in access with your vehicles at times when the paving is underway. Parking on any adjacent side street is recommended. Please contact the DPW office if you have any questions or concerns.

Thank you,

Keith Nastasia
