## **Town Hall Open by Appointment Only**

*Town Hall will be closed to the public beginning Monday, January 11, 2021*

Due to the increase in positive cases of COVID-19, Town Hall offices will be open to the public by appointment only. This is the Town's effort to minimize community spread and help protect visitors and employees.

Residents and businesses are encouraged to conduct Town business online via the Town's website ([www.holbrookma.gov](http://www.holbrookma.gov)) or over the phone. In-person services at Town offices will be available by appointment only, which can take place during normal work hours. Individuals will need to contact Town offices by telephone, and a determination will be made whether the services can take place online, via telephone or email and whether an in-person appointment is necessary. For a list of departments and phone numbers call 781-767-4313, or visit: <https://www.holbrookma.gov/home/pages/town-directory>

### **Payments for taxes and water/sewer bills can be made in the following ways:**

Secure mail drop located at the front door of the Town Hall – this is available 24 hours, 7 days a week, and will be monitored throughout the day. Please be sure to deposit your payment and bill information in a sealed envelope.
