

# Trash Service Update

Please be advised that the Town of Holbrook will no longer be offering trash and recycling services as of **February 1, 2024**. You can choose any private vendor serving Holbrook.

The Town's preferred vendor is **Troupe Waste and Recycling** as they have worked with us to offer special rates to Holbrook residents.

Residents must call Troupe directly at **781-340-0030** or scan the QR code using the camera on your cell phone to sign up for service.

**If you choose not to go with Troupe, you must provide a copy of your new trash & recycling contract to DPW by February 1st.**
