Public Notice

There will be a required shutdown of the Randolph/Holbrook Joint Water Treatment Plant on January 6, 2020 from 9:00 PM until approximately 4:00 AM, to transfer power to the new equipment. Please limit the use of water during these times. We expect a drop in water pressure during this time. For any questions, please call the Public Works Department at 781-767-1800.
