The Holbrook Talent Bank is a means of identifying residents who are interested in serving the community, including persons who have special interests, education, or experience needed for special tasks.

There are approximately 15 active committees appointed by the Select Board and 1 committee appointed by the Moderator for terms ranging from one year to indefinite. Since many members are willing to serve for more than one term, and the interest of the Town would often be served in that matter, the number of opportunities is limited.

Please indicate any Committee on which you would like to serve. If you are interested in more than one, please rank your interests.
